2 these records at this time. However, the Court will require Defendants to produce any and all  
3 reports regarding or referencing the results of Plaintiff's x-rays on February 22, 2016 and  
4 November 18, 2016 to Plaintiff within fourteen (14) days of the date of this Order if such records  
5 have not previously been produced and if such records are in Defendants' possession, custody or
